Rejoinder of Claims

Claims 1-9, 22-25, 28-33, and 39 are directed to an allowable product. Pursuant to the procedures set forth in the Official Gazette notice dated March 26, 1996 (1184 O.G. 86), claims 34-38, directed to the process of making or using the patentable product, previously withdrawn from consideration as a result of a restriction requirement, are now subject to being rejoined. Claims 34-48 are hereby rejoined and fully examined for patentability under 37 CFR 1.104.

Since all claims previously withdrawn from consideration under 37 CFR 1.142 have been rejoined, the restriction requirement made in the Office action mailed on 2/25/04 is hereby withdrawn.

Reasons for Allowance

The following is an examiner's statement of reasons for allowance: The arguments filed 12/22/04 are persuasive. Additionally, the arguments made with respect to the rejection over Tamaki taken with Hase, that the properties of the graphite are resultant upon the starting material and the method of manufacture, is additionally applied and found to be persuasive with respect to the rejection over Hase taken with Tamaki.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
